Hi Guys,

The results of the Pittsburgh tournament are in.

Frank swept Allen 3-0

Dan defeats Bill/Eric 3-1

Frank Luisi wins the tournament and beats Dan Mullarky in 5 games.

Here are the final records and points distribution.

Gene Abood	East	11-12
Paul Ferraro	Jasper	5-15
Dave Cicak	Jasper	8-12
Allen Junod	East	13-14
Chris Siedlecki	East	12-12
Frank Luisi	Jasper	24-8
Dave Morley and Dave Deichert	East	10-14
Bill Fenlon and Eric Ruskiewicz	Jasper	17-11
Gary Drobiezewski	Jasper	10-14
Dan Mullarkey	East	17-14

Here is Dan's writeup:

Hi all. I just wanted to congratulate Frank on his 5 game series win last night. It was a tightly contested series with 4 one run games and 1 two run game, but we also laughed a lot. I think my best line was before game 5 when I told Frank my team had already booked our flights to go back to Blasters' stadium, but it wasn't meant to be.

A brief recap:

Game 1, Swanson rolls 14 on a 3 run 1 column diamond to 13 attempt in the top of the 8th of a tie game. J Rod walks it off in the 9th, 3 6 triple to 3 out. Ouch!

Game 2, tough one run victory for me evens the series and we head to my park where the give away all 3 games is a Kyle Schwarber Homer Run Derby Bobblehead

Game 3, J Rod again, this time with a 9th inning 3 column diamond to 13 turning a one run deficit into a one run lead for Frank, he holds on. Another ouch!

Game 4, Frank with a "blowout" 4-2 victory.

Game 5, it's Bobby Witt's time to victimize Abner Uribe in the 9th with a 1 column diamond to 13 that also turns a one run deficit into a one run lead. Brutal ouch! Frank survives to win the series, but not before a 2 out nobody on, Garcia error to add a little more stress, lol.

Hope to see everyone soon and hope Dave's partner is recovering.
